

The image features three stylized blue water droplets of varying sizes, arranged in a cluster. Each droplet is outlined in a thick blue stroke and filled with a lighter blue gradient. Inside each droplet, the 'Canal Educa' logo is visible. The logo consists of the word 'Canal' in blue, a green circle containing a white '@' symbol, and the word 'duca' in green. A small blue wavy line is positioned above the logo in the top droplet and below it in the bottom two droplets.
