INGREDIENTES PARA UN PLANETA FELIZ

The central graphic consists of a large rounded rectangular frame containing six smaller rounded square boxes, each with a different icon representing an environmental element. To the right of this frame is a large circle containing a cartoon alien character.

- Top-left box: Three water droplets of varying sizes.
- Top-right box: A hand using a faucet, a trash can with crumpled paper, and a toilet.
- Middle-left box: A pine tree and two deciduous trees.
- Middle-right box: A stack of papers and a recycling bin with the universal recycling symbol.
- Bottom-left box: A sun with rays.
- Bottom-right box: Two energy-saving light bulbs, one of which is glowing.

The alien character in the circle is a simple, friendly-looking creature with a large head, two long antennae with circular tips, a smiling mouth, and a body covered in small dots. It has two short legs.
